End of Year Concert
This concert will be held at 6.30pm on Tuesday 13th December. All parents and community members are invited to attend this event. Awards for 2016 will be presented and all students will be involved in an item. The “Circus” extravaganza promises to be a night to remember.

Graduation Assembly
Our Year 6 students have their graduation assembly at 1pm on Tuesday 6th December. At the assembly they will receive their formal graduation certificates and a photo of the graduating class. All students will attend the assembly to farewell our graduating class for 2016. Parents, families members and community members are encouraged to attend.

Kindergarten Graduation
Our Kindergarten students will be having their very special graduation ceremony in the Library on Thursday 8th of December. It is a magical event that is a true celebration of their journey over the year. As a group, they look so mature in their mortar board hats. We invite families and friends to this very wonderful event.

Kindergarten Transition Program.
Our new Kindergarten students are beginning their formal transition program next Friday. Mrs Le Roux and myself will be meeting with the new parents on Friday 9th of December from 9am to 12pm to provide information and answer questions about the program for 2017. We welcome all new parents to attend.

Good Standing Day
As a school we have booked the pool for Good Standing Day. This will be held on 14th December 2016. Students who have not received a suspension or 3 blue and yellow slips from Thursday afternoon 17th November will be eligible to attend this event. If students are ineligible they will receive a letter home.

On returning to school students will also be given an ice cream. We are looking forward to having the majority of our students join us for this event.

Teresa Wigg
Principal
S.T.E.A.M Extension Group

Amid great excitement last week, the S.T.E.A.M. extension group began using Dash our new programmable robot. Students’ have developed programming skills using a visual programming language on the Code.org online learning environment.

The students transferred these skills to a hands on task, by programming Dash to negotiate safely through a maze that they created with masking tape. As well as making Dash perform some tricky manoeuvres the students were also able to make him flash his lights, blink his eyes and make sounds to make his progress through the maze even more interesting.

We also have Dot, a partner for Dash. We are all looking forward to when we are able to programme them to communicate with each other.
Squash Team

On Friday the 18.11.16 Braeside and Katanning Primary School met at the Country Club to see who was the Champions of the Squash Court. Braeside won, we are looking forward to the rematch next year.

P&C News

Disco
The End of Year P&C Disco held last Thursday 10th November was a great night. Lots of fun was had by all. The P&C would like to send their thanks to all the volunteers who helped on the night and most of all a very big thank you to Kim Briscoe for providing the music, lights, games and fun.

Uniforms
Thank you to those parents that attended the recent uniform display. The information collected will be collated and we look forward to bringing in the new designs in the new year.
